GOVT.DEGREE COLLEGE FOR WOMEN,MADANAPALLE

DEPARTMENT OF COMPUTER APPLICATIONS

BEST PRACTICES

1.STUDENT MENTORING

In computer department ,we divide students into groups and each group contains five students and one mentor.This mentor provides assistance to the students in academic aspects like clearing doubts and providing assistance in computer practicals .she make them to write daily exams. Through this we can know strengths and weakness of students so that we can take proper measurements to improve students.

2.NO PLASTIC

Our students made cotton carry bags and wrote thought provoking slogans on them and distributed them to buyers in Santha Market, which is near to our college .Through this activity they are giving awareness to the public on hazards of plastic usage. We are collecting used pens .students are going make beautiful artefacts using those pens.

3.GO GREEN THROUGH PLANTATION

Computer department adopted some place in college vicinity .we are growing plants in that place. And we are also encouraging students to plant a sapling on their birthdays.
